Directions from Sydney city:

- Take the M5 from Sydney Kingsford Smith Airport heading South West.
- Follow the M5 from the Airport for about 20 Minutes.
- Leave the M5 at the Henry Lawson Drive exit, pay toll (\$3.30)
- Turn right off the M5 onto Henry Lawson Drive .
- Stay on Henry Lawson Drive, and go straight at the lights where Henry Lawson Drive and Milperra Rd intersect.
- About 150m after the lights is another set of lights with a right turning lane, turn right at these lights to enter Bankstown Airport on Tower Rd . You should see a large 7/11 service station on your right.
- Stay on Tower Rd past the control tower and over 4 speed humps. At the 90° right turn next to the school and bus depot the road you are on becomes Link Rd .
- Just after Bankstown Helicopters with Goair hangar on your right you will hit a roundabout, turn left at the roundabout into Drover Rd.
- Stay on Drover Rd for about 100m then turn right into Desoutter St , if you go too far you will hit Marion st.
- After 50m on Desoutter St you will hit a fork in the road, go straight, do not follow the road around to the right.
- At the end of Desoutter St you will hit a T-intersection with Airport Ave, turn right into Airport Ave and follow till you reach the end.
- The Red Baron is located at the Hangar on your left.
